Tell us something about you and your work:

We are a group of twenty artists. The Society has been in existence for some 70 years. We are all amateurs and run the group out of our own pockets. We have continuously exhibited as a group and as individuals in the Maidenhead/Slough/Windsor area since 1941. All artists are welcome as there is no level of skill or knowledge required for membership.

All About Your Plan...

Go into as much detail as you can.

Please describe what you would do with the £500 award:

We as a group would like to have professional demonstrations and workshops by specialist and professional artists. These workshops would be held in a hall we already rent, as we can accommodate all our members and so all can benefit from the demonstrations/lectures and also by participation in workshops given by the professional artists.

The cost of four sessions over a year would be around £600. We would raise the other £100 ourselves.

All About Your Plan...

Your creative dream? Personal development?

If you were chosen to receive this award, who would it benefit and how?
(e.g. Would it be your personal development, a community project or other?)

Around 20 artists at a time on each demonstration/workshop would benefit. By having these workshops we can only improve our work as an art society. Having professional teaching and advice to so many amateur artists can only ass to the development of the individuals
