Tell us something about you and your work:

Previously a graphic designer, I have changed direction to fine art. I produce contemporary abstract art and a practitioner of art workshops. The art workshops are interactive and provide a fun atmosphere whilst they are learning new skills. My paintings have been sold at Wexham Park Hospital and several people local and abroad.

All About Your Plan...

Go into as much detail as you can.

Please describe what you would do with the £500 award:

The Community Project for the Elderly and Disabled would be as follows:

3 art workshops for elderly

3 art workshops for disabled

Fundamental art skills would be taught to the groups and they would create their own individual art on canvas.

On completion of artwork by the groups I would like to exhibit their work in a popular site so that others can view their art.

Each workshop will run for 1 and a half hours and have eight persons.

All About Your Plan...

Your creative dream? Personal development?

If you were chosen to receive this award, who would it benefit and how?
(e.g. Would it be your personal development, a community project or other?)

With the grant I would like to run a community project for the elderly and disabled. The project would consist of art workshops in groups and enable them to create and express their thoughts using the skills learnt in the workshops
