Tell us something about you and your work:

The basis of my work is religious and I paint to glorify the God of Creation. All of my imagery is captured through sketching the on location throughout the world. For sketching, I use pencil and pastels which help to explore and experiment with the relationship between colour and shape. From the sketches I build the composition of my paintings and work with oil on canvas (in most cases).

My work explores the inter-relationship of expression, shape and colour mingled with my beliefs. I tend to use strong bold colours that are a cause to my having lived in the Middle East.

All About Your Plan...

Go into as much detail as you can.

Please describe what you would do with the £500 award:

I would like to split the award in 3 parts:

Part of this award would help me to continue to promote my work, through paying for exhibition space in galleries, as I am now starting to establish myself as an Artist.

Another part of the award would go to signing up on a painting course and building my network up in the local area through college.

The last part would go to buying paint and drawing materials for people to use in a Soup Kitchen in Egham that my wife and I are involved with.

All About Your Plan...

Your creative dream? Personal development?

If you were chosen to receive this award, who would it benefit and how?

(e.g. Would it be your personal development, a community project or other?)

As I explained in the previous section: Part of the award would help me promote my work. Another part would help me develop my ability and the third part would go to facilitate buying materials for a soup kitchen which we support in Egham, Surrey
