GIFTS GALORE ON GLITTERING HIGH STREET AS ARTIST ON THE STREET DESCENDS UPON MAIDENHEAD!

On Saturday 7th December, Art on the Street returns for its ninth event, transforming the High Street into a huge open-air gallery filled with beautiful artwork and inspiration for that perfect Christmas gift!

On the day you will find over 80 pitches of fine art exhibits up and down the High Street, street food vendors and two stages of live music and performances. Pop into the Nicholson’s Centre and you’ll find ceramics, a further 16 pitches of artists and creative workshops run by Claires Court Schools and Norden Farm Centre for the Arts, as well as Father Christmas and masses of unique pop-up shops.

Art on the Street is free to visit, all activities and workshops are free to participate in and parking in Maidenhead is free all day!

**About Art on the Street**

Art on the Street is a Community Interest Company that is run by volunteers committed to providing opportunities for working artists. Started in December 2009, with less than 40 artists, the event has quickly grown into a 120 exhibitor art fair that draws thousands of visitors to each event.
