# #MAIDENHEADCASHMOB

## **What is a Cash Mob?**

**A Cash Mob is a form of flash mob where people gather together at a local business to make purchases.**

## **Why?**

**It's all about supporting our valuable local businesses and giving their trade and profile a welcome boost. There are loads of fantastic independent retailers in Maidenhead who need your support! There are more of them than you think...take a look at the list overleaf!**

## **How? And How Much?**

**Maidenhead Cash Mobs happen on the first Saturday of every month and the target is chosen by nominations via the Maidenhead Cash Mob Facebook Group and Twitter Feed (@maidenheadcm). The target is announced minutes before we head there.**

**Each cash mobber is asked to bring a £10 note to spend at the winning retailer, but that's just a guideline - you can spend as much as you like!**
