

Art on the Street at The Rendezvous Cafe

About this space:

The Rendezvous Cafe is a large, popular space in the Town Hall that caters for RBWM staff and their visitors, as well as the general public. It is also the through-route to the Desborough meeting rooms in the Town Hall and sees a high level of footfall.

For the ease of hanging and distribution of artwork, we have split the area into Zones, each with it's own benefits.

Please note: This layout is not to scale and is only intended to be a representation of the layout of The Rendezvous Cafe. Art on the Street & The Rendezvous reserve the right to adjust the layout.
